## Rooms

**Additional room types:** The Bowman Post Group of NewGen Advisory is pleased to present for sale the fee simple interest in the Holiday Inn Express & Suites Houston - Downtown Convention Center, an IHG Hotel. This hotel is conveniently located near Toyota Center, Minute Maid Park, Discovery Green Park and just two blocks away is the George R Brown Convention Center. This is a great opportunity for an investor to acquire a rare downtown property in a city that's growing at a rapid rate. Houston is the most populous city in Texas, fourth-most populous city in the United States with a population of over 2.3 million. The Great Houston area encompasses nine counties along the Gulf Coast in Southeast Texas housing over 7 million people and counting. The economy of Houston is based primarily on the energy industry, particularly oil. However, health care, biomedical research, and aerospace also constitute large sectors. In 2020, the real gross domestic product (GDP) of the Greater Houston area amounted to 455.3 billion U.S. dollars. The U.S. Bureau of Economic Analysis estimates Houston's GDP ranking it as the nation's seventh largest metro economy.
